Dear Praying Friends,

God has blessed abundantly this month! We have so much to share and so many prayer requests that we decided to try to give concise prayer updates for each municipality/township divided into the neighborhoods and/or villages where we have been active presently or in the past. Thank you for supporting us in prayer!

Salinas

El Shadai Bible Church

Please pray for John as he does a new convert Bible study with Gerson and is also teaching a class to Raimundo, Robert and Bobby on how to prepare a message! Pray that the Lord will raise up a godly leadership in the church.

John would also like to restart neighborhood evangelistic services – please pray that soon covid restrictions will be lifted so that can happen.

Ingrid is a junior at ABRE and has contacted us asking for further teaching and opportunity to be involved in mission work with Hannah. Pray for her growth and development as she follows the Lord's call to missions. She also has been attending church with us and has brought her mom and sister the last two weeks. Her sister, Leticia has asked to do the new convert Bible study in preparation for baptism.

Caranazinho

Please pray for a place to meet. School classes may start soon which would allow us to use the school. Most weeks while visiting this neighborhood, Hannah finds children and young people asking when we will restart.

Bom Jesus - Adrielli and Robert have begun holding a meeting for a small group of children every other week. Pray for them as they work with the children and look for opportunity to expand this work.

Pirabas

Helderlandia – Hannah is to do some English tutoring there this Wednesday. Pray for her as she works with the young people and that soon they will be ready for a Bible class again.

Santa Luzia – We have two young ladies getting our SS and devotional videos and we often hear back from one of them after she was watched the class. Pray further contacts in this village and the opportunity we will have at the Christmas program in December to share Christmas bags, devotionals and most importantly the story of our Savior’s birth!

Santarem Novo

Iraquara – We have three families getting our SS and devotional videos. Pray especially for Odilene and family as they have dealt with a lot of sickness this past month – most importantly for their salvation.

Jutai – Pray for the growth of believers as well as the salvation of Indio and Valdiane. We have had some visitors and are going to have a meeting for couples on October 5th. Please pray that couples will come with open hearts.

After years of praying for a piece of ground, and several failed attempts at buying a piece of ground the Jutai group is being given a lot by the mayor. Please pray as we seek to finalize paperwork for that!

Yellow Wood – Just yesterday we were able to restart SS classes! Pray for the Lord to work in the hearts of our kids and in their families also.

St Anthony – Pray about the possibility of starting a new outreach in this village in the near future. We have two boys who are now living in this village, but used to be part of the group in Jutai.

Novo Timboteua

Big Yard – Pray for John and Fernanda as they work with the young people here and for Marcio's conversion!

Igarape Açu

Liberty – Praise the Lord for two new converts Paulo Henrique and Vinicius. Pray for their spiritual growth and development as well as the salvation of Dilce. Pray also for Fernanda as she works to help the children of this village learn to read.

São Luis – Praise the Lord for progress on the construction of John and Fernanda's home. Pray for their work with a couple, as well as new convert studies with 3 young ladies. Pray for their work with young people in this village and for the salvation of Jandir!

Bonito

Jari, White House, Dry Arm, Straw Town, Estiva,

Cuxiu, 7 Hills – These villages we have been unable to visit since March. We do have contacts in three of the villages who are receiving our SS and devotional videos. Please pray for Hannah to have an opportunity soon to visit these families in Jari, Cuxiu and 7 Hills. Pray also that she will be able to make contacts with families in White House, Dry Arm, Straw Town and Estiva.

Thank you ever so much for praying! Many of you are involved in our adopt a village by prayer program, but if anyone else would like to choose a village, receive email updates about the work there and pray regularly for that village – please contact Hannah at hreno128@yahoo.com.
